## **MARIPOSA ARTS COUNCIL**

**STORYTELLER ASSEMBLY** On Monday we will be joined by one of the very entertaining storytellers who will be part of this weekend's Mariposa Storytelling Festival. Parents & siblings are welcome to join us for this event at 11am on Monday.

**MSO ASSEMBLY** Next Tuesday we will be joined by Les Marsden of the Mariposa Symphony Orchestra (just a little shout out to our own Peggy Lyle who plays on the MSO-woo hoo). Each year Mr. Marsden presents a new aspect of Classical music to local students; this year's program is called "The Adventures of a Tune." Mr. Marsden will also be kicking off the annual Mariposa Symphony Orchestra/Mariposa County Arts Council's "Young Master Composers Celebration" - an annual competition which challenges music students in our schools aged 8 - 18 to compose their own "Classical" music. Winners in each of three age groups will be announced at the April 21/22 MSO concerts, and those winning compositions will be performed by the MSO under Mr. Marsden's direction at the June 30 "Independence Day Spectacular" Concert, with cash awards going to the winners as well.

## **CALIFORNIA HEALTHY KIDS SURVEYS – PARENT CLIMATE SURVEYS**

The purpose of the survey is to obtain parent perceptions of student behavior and attitudes, school programs and policies, and the overall school climate as they relate to student well-being and learning. It deals with such issues as truancy, safety, harassment, substance use, school connectedness, and learning supports.

Your participation is voluntary. It is also very important. The information you provide will help guide the district and school efforts to promote safety, enhance learning supports, improve student achievement, and reduce health risks that stand as barriers to learning.

- This is an anonymous survey.
- All questions apply to this school only.
- The results are for the use of your district.

You can access the survey by following URL: <http://www.wested.org/parent>

**COMMUNITY OPINION SURVEY** *On Friday night, the following all-call message was sent to all parents in the District:*

This is a message from Mariposa County Superintendent of Schools, Aaron Rosander. As you are no doubt aware, California's public schools are in a fiscal crisis. Our school district is grappling with the very real possibility that our budget will suffer an additional reduction of approximately \$2 million for the next school year. Closing such a significant gap between our income and our expenditures will likely require some very large changes to our current structure, up to and possibly including additional school consolidations.

In consideration of all the various possible changes, the Board of Trustees is very interested in hearing our community's views on which options should be pursued. As such, we would like to invite you to participate in a brief online survey. Please visit our website at [www.mariposa.k12.ca.us](http://www.mariposa.k12.ca.us), and look for the Community Opinion Survey information under News. If you do not have internet access, but want to participate in the survey, a hard copy may be obtained from any school site.

By working together, we are confident that we can design a dynamic and powerful school system, for next year and beyond. Please be a part of this important process by participating in this survey. Thank you.
